4. All players must provide their Date of Birth. Proof of age may be requested and the playing of underage players will result in immediate disqualification. (Any team is entitled to request proof of age from another team through the organising committee on the day of the tournament.)
5. In the event that a team is short of players, which would make them unable to continue to participate, the team can make representation to the Management Panel to request a relaxation of the Player Eligibility rule. This can only be considered in exceptional circumstances.
6. It is expected that all players conduct themselves in the spirit of masters basketball. Failure to do so may incur disciplinary action. Attendance on Court & Game Timing

7. All games must start at the allocated game time.
8. It is the named team's responsibility to be warming up on centre court at the half time stage of the previous game. Published times are the latest possible start times but games may start earlier if the schedule permits.

10. All games must be completed within the allocated time slot. In the event of a game running late, the Games Commissioner may take a decision to Run the

The game will consist of 4 x 6 minute quarters with a 2 minute break between quarters and a 5 minute break at half time.

Each team is allowed 2 time outs, one in each half.

Tied Games

12. In the event of a tied game, five players who finished the game for each team will shoot one free throw each with the team scoring the most baskets being deemed winners. If the game is tied after each team has taken their free throws, the game will be decided on a sudden death shoot out with players taking free throws in the same order as the initial shoot out.

Fouls

13. Players will be disqualified after 4 personal fouls in any match.

14. Teams will be in 'penalty' in each quarter, once they reach 4 team fouls.

Management Panel

The Management Panel will consist of: Chairperson, Secretary and Treasurer of Strathclyde Masters Basketball Club. The Panel will resolve all matters referred to it, which are not covered by the Tournament Rules, whether they are operational, disciplinary, or management matters.
